The naming structure to log in is as follows:

Last Name, First Initial & Day of Birth @students.hamiltonschools.org

Example:

Password: is your student's lunch pin (**This is the student ID number.** It is NOT the State Student ID #)

Please continue to monitor the school and district websites for additional information.

Your child(ren's) teacher(s) will be sending invitations to join their Google classrooms to their student Google Account. They will also be explaining the daily schedule and expectations.

Please know the student schedule **times** in Genesis will be different than the actual class schedule times your child's teacher will share. (Genesis does not reflect the 5 hour student day; that is why the **times** will be different.) Students will be expected to log in by 8:30 am each morning for a morning meeting and to take attendance. Again, the teachers will be sharing more information in their communications with you with regards to the daily classroom schedule.

While this isn't the school opening we anticipated we look forward to beginning the school year for students on Monday, September 14th.

Sincerely,
Melanie Lamanteer
Principal
